IN-VEHICLE TRAINING:

- 1. 48-hour notice is required to reschedule or cancel an In-Vehicle lesson. A \$50 rescheduling fee will be charged if we do not receive appropriate notice or there is excessive rescheduling.** Due to scarce availability, if a student cancels a class or fails to show up without informing us (i.e. oversleeps, forgets to write it down, etc.), the company reserves the right to charge them the full amount for that missed class. If a student is not present after 10 minutes from the scheduled start time, this constitutes a “no show. According to Illinois state law, students MUST possess their ORIGINAL Illinois Instruction Permit, United States Issued License, or Foreign License with a Passport Stamped no later than 90 Days for all In-Vehicle lessons while lessons are being conducted. A copy or image of the permit is not acceptable. Students arriving for an In-Vehicle lesson without their permit will have their lesson cancelled and will be assessed a rescheduling fee.
- 2. All In-Vehicle training are based on a booking system. Bookings are supposed to be booked 12 hours before the appointment as bookings close 12 hours before the driving lesson begins. The instructor is not able to change or alter any email or home addresses that are already in the system. To cancel an appointment or alter it, they will need to email entouragedrivingschool@gmail.com or call 773-481-7455 to reschedule. It is best to do it through email. Please make sure that you can make the selected time and date before booking a Driving Lesson.**

3. Please allow an extra 20 minutes for the instructor to arrive due to the unpredictability of traffic as we only have 30 minutes between sessions. Our radius is Northside of Chicago (including Skokie, Morton Grove, Park Ridge) with exceptions. If you book outside our radius, your appointment will be cancelled.
4. Please be aware we may cancel if distance is too far or there is heavy traffic between classes or there is a severe thunderstorm/flooding or icy/slick roads or temperature conditions are too dangerous to drive. Driving Lessons may also be cancelled if the instructor develops any COVID-19 OR flu-like symptoms. No penalty will be charged; however, it is your responsibility to book another lesson as we may not be able to have a replacement for that day.
5. If required, students must wear their glasses or contacts during In-Vehicle lessons. Students are required to wear closed-toe shoes during driving lessons for safety reasons – no flip flops, high-heels, or “Ugg-type” boots are to be worn. Students will not be permitted to use their cell phones while in vehicle training is in process. For emergency phone calls, all calls should be forwarded to the Entourage Driving School instructor of that lesson.
6. A student may only drive in the vehicle with the instructor by him/herself as per insurance reasons. Please do not ask if a parent or significant other can sit in the back seat. We want the student to learn in a safe environment without outside distractions.
